

ACOLYTES/VERGERS
Nathan Duncan

We have 28 Acolytes and six vergers serving at the altar for All Saints'. We are blessed having this opportunity to serve. It does mean early arrivals and late departures for these servants of the Lord.

Help with vestment repairs and washing is always needed. Check with any of the vergers about helping with this. Even gifts for memorials would be helpful for replacement of worn vestments.

All those that serve around the altar are looking forward to the new year.
