

**SENIOR WARDEN**  
**Stephen King**

The past year as your Senior Warden has been an honor, and to imagine I have had such an opportunity has been very humbling. I have had the opportunity to work with parishioners that have exhibited the dedication to our parish that has made it what it is today. All Saints' is a beacon in our community and is a place we can all be very proud to call our own. I take great pride in sharing with others what our church has to offer when the opportunity provides.

I hope that each parishioner will continue to consider a sacrificial pledge to both the Operating Pledge and the Capital Campaign. We have a tremendous facility and staff that we must support. Voluntary Proportionate Giving is the most effective way to reach for the sacrificial pledge. I know there is always room for improvement in this area, not only in our own parish, but throughout the Diocese.

Saints' Brew and the Neighborhood Life Committee have continued to make a statement in our community. Thanks to the efforts of Mona Warlick and Beth Harris, we will hopefully soon have the sponsorship of our local United Way. Along with private donations (Saints' Brew is not in the Operating Budget) the United Way support will allow us to continue to serve our community.

With the guidance of Dinetia Newman and a devoted group of individuals, we will soon have the details of a long range Strategic Plan to lead us into the future of our parish. This has been an extensive effort on this group's part, and I would like to thank them for their time.

The Reverend Dr. Billy Walton has become the first ordained Deacon assigned to our parish. His talents have already been recognized by many of us, and we are very thankful to have him in our midst.

Thanks also to Scoutmaster Mark Maharrey and his Assistant Scoutmasters for bringing the Boy Scouts of America and Troop 85 to All Saints'. This program brought other families to an excellent Scouting program within the walls of our church and we should consider involving our own children in this program. We also have All Saint's parishioners serving on the Troop Committee and Board of Review.

And finally, I would like to thank Father Paul and our staff. They perform tremendous tasks everyday with very limited resources. I will close with a sincere thank you for providing me with the experience to have been the Senior Warden at All Saints'. It is an honor of which I will be eternally grateful.
