

## **WEDDING AND FUNERAL GUILD**

### **Sue Ann Averett & Martha Stephens**

The Wedding and Funeral Guild was established in 2009 to assist families in any way with weddings and funerals.

Wedding/Funeral Guild Mission Statement: To offer our support in relieving tensions, stress, grief, and other needs of Church family members as they pass through certain rites of passage as recognized by the Church. We accomplish this by calling on volunteers in the Church to provide necessities such as service, meals, or other means of comfort to individuals and to families as specified by our Rector.

This year the guild provided support for the funerals of:

Mary Gardiner Tims

Harold "Smokey" Livingston

Hettyola Harrell

Norris Strickland

There was no line item in budget for the Wedding/Funeral Guild for 2013.

Many thanks to all that donated food and assistance in this ministry. Your love and support was appreciated by all of the families.

Many Blessings,
