

# 556 volunteers made this dream a **REALITY!!**

Our thanks to everyone who helped: organize the 2 week Habitat Blitz, worked on the construction site, donated food, cooked and served meals, greeted our overnight guests and helped them settle in, offered their homes/churches for showers, gave financially, and offered prayers! It would not have been a success without YOU!! Visit <http://allsaintstupelo.com/allchurchlife2011blitz.html> for additional pictures of the Blitz!
