

MEMORIALS

Cathy Sparks

Under the auspices of the Memorial's Committee, Tom Evans and a faithful group of needlepointers from All Saints' and First United Methodist Church finished our gorgeous kneelers. An artist from Marietta, Georgia, designed and painted the canvases. All the kneelers were subscribed so all expenses were covered from design to construction of cushions. The project took four years to complete (we began in 2013). The kneelers were blessed when Bishop Seage was here in November.

The balance in the Memorial's account is approximately \$25,000.00. Some of the funds are designated and some undesignated.
