

DAUGHTERS OF THE KING

Joellen Murphree

Daughters of the King is an Order of the Episcopal Church open to any member of All Saints' who feels called to a commitment to prayer, service and evangelism. Our monthly meeting is devoted to prayer, education and support of each other and our parish.

This year we sponsored a Quiet Day at the home of Jimmy and Margaret Ann Robbins on Columbus Day, with a beginning meditation by Rufus Van Horn. We completed a study of Crazy Christians by Bishop Curry and have begun a study of Mary Magdalene.

Each member commits to daily prayer for our parish prayer list, our group prayer list and an assigned group of parish members. Each member of the parish is prayed for daily.
