

## **FUNERAL GUILD**

### **Carol Alvis**

#### **The Funeral Guild Mission Statement:**

To offer support in relieving tension, stress, grief and other needs of Church family members as they experience a death in their family. We provide refreshments or meals for families during the visitation, as well as other means of comfort to individuals and families during their time of grief.

The Funeral Guild was budgeted \$400.00 in 2018. The Funeral Guild spent \$84.17 in 2018. The money is used for expenses for items that are needed for All Saints' families as they experience a death in their family. Many times, the Funeral Guild is able to secure donated funds and items that are provided by other parishioners to fulfill the needs of the bereaved family. But often, due to time constraints a donor is not found, and the fund is used to provide needed items for families.

The Funeral Guild provided meals, refreshments and other needed items to four All Saints' families who had a death in their family during 2018.

I would like to thank all parishioners who offered assistance with this vital ministry.
