

MEMORIALS

Cathy Sparks

The Memorials Committee has not been active for a few years. Our goal is to resurrect the Committee in 2019.

The Memorials Committee oversees funds that are donated mostly in memory of deceased parishioners or in honor of someone, if not specifically designated for other funds.

The Memorials Committee does not have a budget. At the moment, there is approximately \$2947.00 in the account. During 2018 there were some funds used for organ repair and for the needlepoint kneeler project.
