

NURSERY

Paul and Amanda Perry

In 2018, approximately \$200 was spent on Nursery supplies and snacks for our childcare rooms. Our Nursery is open every Sunday morning from 8:15 a.m. – Noon and for special events during the week as needed.

We would like to thank our Nursery workers, Dorothy Hughes, Myra Morrow, Carolyn Shumpert and Elizabeth Stone for their faithful work in our Nursery each and every week. This group has been a part of the All Saints' family for decades. Many of the children they cared for as toddlers here at All Saints' are now grown, with families of their own. We are thankful to have such a dedicated group of ladies keep such a watchful eye on our children.
