

FLOWER GUILD
Deanna Alford and Tom Evans
Co-chairs

The flower guild continues to arrange flowers for the altar each Sunday, and for funerals, weddings and other special services, as well as decorate the church for Easter and Christmas.

We have not had to raise the cost of donations for flowers each Sunday due to the hard work and good stewardship of the flower guild members the past several years. However, with the rising cost of supplies and flowers, a price increase may be in our future.

We continue to take altar flowers and arrange them into vases for the CARE team to take to those who are sick or shut in.

We have added a very talented member to the flower guild – Tiffany Priewe.

We look forward to arranging flowers to beautify the Nave and spread joy beyond the confines of All Saints' walls in 2020.
