

FUNERAL GUILD
Carol Alvis

The Funeral Guild Mission Statement: To offer support in relieving tensions, stress, grief and other needs of Church family members as they experience a death in their family. We provide refreshments or meals for families during the visitation, as well as other means of comfort to individuals and families during their time of grief.

This year the Funeral Guild provided support for the funerals of:

Dee Streit

Deb Limerick

Francis Criss

There was a line item in the budget for the Funeral Guild in 2019 of \$400.00. The Funeral Guild did not exceed this amount for services for families during the death of their loved one. I am again making a request for \$400.00 to be placed in the Funeral Guild line item for 2020 to cover expenses for items that are needed but not acquired from donations from church members.

Many thanks for all that provided assistance and donations to this ministry.
