Due to COVID restrictions and cancellations of some of our annual events (i.e., Trunk-or-Treat, Christmas parade), the Neighborhood Life Committee has been a bit quiet this year. Fortunately, we were able to provide the annual Saints’ Brew Christmas Dinner, albeit in a different fashion. This year’s meal was our standard dressing, sweet potatoes, green beans, and dessert; however, it was provided as a to-go meal. We were able to feed approximately 35 individuals this year, as well as provide gifts of hoodies. This number was lower than our usual average of 100 guests, so the extra hoodies were given out by Hannah Maharrey during Saints’ Brew breakfast.

Goals and plans for Neighborhood Life Committee in 2021 are yet to be established and, as 2020 has taught us, must be fluid. Thank you to all who assisted this past year.
