

VERGERS and ACOLYTES

Albert White

Despite the multiple challenges of 2020 All Saints' and Christ the King continued to be faithfully supported by 14 elementary, middle school and senior acolytes whether at in-person or virtual liturgies and occasional services.

We recognize that the participation of acolytes in our liturgy is important in the affiliative spiritual growth of our young parishioners. We will do all we can to renew that affiliation as soon as we are safely able.

We the Vergers, are grateful for their participation and value the guidance of their parents. It was rare in the scheduling that I did not know in advance if someone needed to be scheduled in a particular slot or would otherwise need a change. Thanks for arranging your own substitutes!

The parish is served by the following Vergers:

Frank Anger

Nathan Duncan

Britt Hester

Richard Pate

Albert White

We are thankful to be present and will continue with God's help.
