

FLOWER GUILD

Deanna Alford

Continues:

- To arrange flowers to beautify the sanctuary while honoring, remembering, and honoring loved ones of donating parishioners.
- To use altar flowers to provide vases of flowers to the CARE team for those who are sick, grieving or shut in.
- To assist the Hospitality team to decorate for events in the Parish Hall.
- To arrange flowers for the church, visitation areas and columbarium for funerals.
- To arrange flowers for special services.

Plans:

- Are looking into purchasing an additional single floral cooler or replacing current cooler with a double cooler.
- Use donated "subscription" of flowers from Fresh Farms for altar flowers during the blooming season.
- Continue to search for ways to keep costs low and donation amount (\$75) stable.
- Use/try new team format to provide all above services.

Thankful for:

- Addition of two new members, Amanda Westmoreland and Chris Johnson.
- Money donated by the Endowment committee to assist with purchase of new flower cooler.
- Love and support from the parish.
