

FLOWER GUILD
Deanna Alford & Leila Keel
Co-chairs

The Flower Guild performed its usual and amazing magic again in 2023. We did not receive a budget for 2023 and operated out of a money market account that we saved for lean times.

The Flower Guild has been and remains budget conscience. We have worked hard to keep prices low. We cut from yards and roadsides as often as possible. We save money wherever possible. However, we had to raise the price from \$75 to \$85 for altar flowers in 2023.

Our plans for 2024 are the same as always, to continue to use the talent we have been given to beautify the church space each Sunday. In addition to arranging flowers for each Sunday, the Flower Guild provides greenery on the altar during Lent and Advent and flowers for special services; Epiphany, Ash Wednesday, Maundy Thursday, Christmas Eve, weddings and funerals are services that do not always fall on a Sunday.

In 2024 the Flower Guild will continue to take down the flowers after the Sunday services and create small vases for the CARE team to take to parishioners.

The Flower Guild is a wonderful way to serve in a behind the scenes ministry. If you are interested in joining this fulfilling ministry, contact the office for more information.
