

HOSPITALITY

Deanna Alford

The Hospitality Committee provides complete meals or several dishes for multiple special events for the parish throughout the year. Occasionally the Hospitality Committee partners with other groups to better serve the various events. Many hands make light work.

Hospitality committee events are:

Epiphany, Easter Vigil Reception, Pentecost Shrimp Boil, Parish Picnic/Oktoberfest, All Saints' Sunday/Bishop's Reception, Lessons and Carols Reception. Occasionally there will be special occasions that aren't on our typical list.

Alex Watson is our wonderful head cook. She and Manuela Hayden make a great team preparing for the many events. Mark Swanberg, Mike Fitzpatrick and I are shoppers and general support.

I am new to the Hospitality Committee and working on learning the ropes and recruiting help.

We did not receive a budget for 2023 but have requested one for 2024.

We are looking for help, especially with cleaning up after events. If you are interested in a behind the scenes ministry, we may be the committee for you. Please contact the office.
