

The Rev. Phillip Parker, Rector
The Rev. Dr. Billy Walton, Deacon

As we approach the milestone of being just two and a half years from completely paying off the debt on our program facility, I am filled with a sense of gratitude and pride of all that we have accomplished together. The journey has been marked by unwavering dedication, generous support, and a shared vision for the future of All Saints'. We have worked together to create a welcoming and thriving space that truly reflects the love and grace of God.

Over the years, we have witnessed the transformation of All Saints' into a place of community, worship, and service. This project has enhanced our programs and ministries to allow us to touch the lives of so many and truly make a mark on our space and our community. As we near the end of this financial chapter, it is important to reflect on the significance of the achievement and to celebrate the faith, commitment, and sacrifice that have brought us to this point.

I invite you now to join me in envisioning the future of All Saints' beyond the burden of debt. Let's all look forward to the opportunities that await us, the lives we will continue to touch, and the impact we have on our community. Imagine all the possibilities without the monthly obligation to debt service. This final push will take all of us working together to "BURN THE NOTE" and move All Saints' into the next chapter.

In gratitude,

Cathy Fitzpatrick
